SPONSORSHIP OPPORTUNITIES

APRIL 7 – 9, 2019

DELTA HOTELS BURNABY CONFERENCE CENTRE

Vancouver, BC

The BC Partners in Online Learning, in partnership with the Canadian eLearning Network (CANeLearn), invite you to join us at the 16th annual Digital Learning Symposium April 7 – 9, 2019. This year the event will be held at the [Delta Hotels Burnaby Conference Centre](#), Vancouver BC. Enjoy the opportunity to connect with educators and leaders in technology-based learning from BC and across Canada.

The BC Partners in Online Learning have been offering a Digital Learning event for over a decade, joining CANeLearn again in a shared symposium for educators and leaders in BC and across Canada. CANeLearn is a Canadian registered not-for-profit society whose mission is to promote effective practice in online and blended learning, foster community and facilitate interaction among online and blended learning educators, and connect educators to online and blended learning organizations.

The focus of the 3-day Symposium is on leading flexible learning models, environments and instructional approaches. The organizing committee is planning a program that will include many opportunities for networking and sessions that will inspire and provoke conference delegates. The event is designed to attract educators, technology coordinators, curriculum developers and administrators largely from K-12 but also from post-secondary. Those attending will be educators and leaders on the cutting edge of technology integration in teaching and learning.

In the past, up to 500 delegates from BC, Alberta, and across Canada have participated in the Digital Learning Symposium and this year's location can host a larger number of delegates than prior years and is more conveniently located for Vancouver area educators. Previously, exhibit space has sold out quickly as it is limited. Throughout the event there will be many opportunities for sponsors to interact with delegates at exhibits along the main prefunction area outside the ballroom and corridor to the elevators and washrooms. Sponsorship options range from a logo and link on the Symposium website to an exhibit table or a keynote introduction. No matter what level of sponsorship you choose, networking opportunities abound in the exhibit prefunction area.

Contact Randy LaBonte, CEO of the Canadian eLearning Network, at rlabonte@CANeLearn.net if you have questions. Check out information on our website <http://canelearn.net/symposium19/>. To register, please complete the application form found on page 12 of this document or online at: <https://goo.gl/forms/aoXQUA9XN3z0eB602>

We look forward to seeing you in April!

Sponsor Networking Opportunities

In addition to providing a high traffic exhibit space designed for maximum exposure (see maps on page 10 and 11), the Symposium program and food arrangements have been deliberately designed to encourage delegates to visit exhibits between sessions, during meals, and at nutrition breaks. The program also includes two scheduled social receptions to provide opportunities to build one-on-one relationships with delegates, fellow exhibitors and sponsors, and high-level decision makers.

Opening Night Reception: *Sunday, April 7th, 5:00 - 6:30 pm*

Don't miss your opportunity to converse with delegates at the Symposium's Opening Night Reception. The Symposium kicks off with networking in a casual and lively environment in the prefunction area. Everyone is welcome - delegates, keynotes, exhibitors, and sponsors. The reception will include catered hors d'oeuvres and a no-host bar.

Main Reception: *Monday, April 8th, 4:30 - 6:30 pm*

Enjoy a casual drink, hors d'oeuvres and great conversation at the main networking event of the Symposium. Join delegates, presenters, other sponsors, and Symposium organizers in the Main Reception in the prefunction area outside the main ballroom.
